8. On acceptance of one of the tenders that the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements quality of work, etc., and in all disputes of any kind the decision of the Chief Engineer will be final and legally binding on the contractor.

Rates should be quoted both in words and figures for each item of work and lumpsum provisions are subject to modifications as per data worked out during execution. For individual items of work under lumpsum provisions the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

R.ft.	4,869

V. V. PATANKAR,
Executive Engineer.

CHITALDRUG DIVISION.

Notice dated 9th January 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 5th February 1930, for the construction of a Dispensary Building at Malebennur in the Harihar Sub-Taluk. An approximate estimate of quantities is given below. These quantities are no tguaranteed. The work should be completed by end of December 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Chitaldrug, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash or Currency Notes as earnest money and be superscribed "Tender for the construction of a Dispensary Building at Malebennur in the Harihar Sub-Taluk" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute a contract bond in default of which his tender will be considered
